Important information for MVCC applicants and students

MVCC students and applicants for admission to MVCC are entitled under Federal regulations to receive information on a variety of topics. Included is information about students' graduation, completion, and transfer-out rates; tuition and fees; cost of room, board, books, supplies, and other expenses; withdrawal and refund policies and procedures; financial aid availability, eligibility, application, selection, academic progress requirements, and disbursements, including Title IV grants and loans; instructional programs, facilities, and personnel; college and program accreditation, facilities, and services for students with disabilities; and campus crime information and security policies.

The majority of this information is contained in this catalog or in the College's online [Student Handbook](#). Campus crime statistics and important safety information can be found at www.mvcc.edu, in a publication titled "Your Right to Know," or from offices including Admissions, Records and Registration, Public Safety, or Marketing and Communications.
