

# Emergency Medical Services/Paramedic

---

## Associate in Applied Science Degree

This program is a partnership between MVCC, Faxton-St. Luke's Healthcare EMS Center, and SUNY Polytechnic Institute. It is for individuals who are certified Emergency Medical Technicians. It provides the education and hands-on training necessary to function in and out of the hospital setting as an Emergency Paramedic. The paramedic course of study consists of a minimum of 722 hours of academic and clinical instruction provided by the Faxton-St. Luke's Healthcare EMS Center. MVCC equates this instruction and certification to 36 hours of transfer credit. The student is required to take an additional 37 credit hours of coursework at MVCC leading to the AAS degree.

This program supplements the basic EMT certificate by providing an opportunity for students to pursue their AAS degree and continue their studies at SUNY Poly for a bachelor's degree in the Health Services Management curriculum. This program is ideal for firefighters, ambulance attendants, and law enforcement personnel. Individuals interested in this degree program who do not meet the prerequisites of Chemistry and Mathematics may take these courses at MVCC. The basic EMT course leading to certification can be obtained at Faxton-St. Luke's Healthcare EMS Center.

### Total Credit Hours: 63

#### First Semester

CF100 College Foundations Seminar	1.0
EN101 English 1: Composition	3.0
BI216 Human Anatomy & Physiology 1	4.0
Social Science Elective (a)	3.0
IS101 Computers and Society	3.0

#### Second Semester

EN102 English 2:Idea&Values Lit	3.0
HC100 Intro to Health Care	3.0
BI217 Human Anatomy & Physiology 2	4.0
MA110 Elementary Statistics	3.0

#### Third Semester

EM200 Emrgncy Med Srvcs/Paramedic 1	12.0
EM201 EMS/Paramed Clin/Internship 1	6.0

#### Fourth Semester

EM202 Emrgncy Med Srvcs/Paramedic 2	12.0
EM203 EMS/Paramed Clin/Internship 2	6.0

(a) PY101 Introduction to Psychology OR SO101 Introduction to Sociology
